

Dear Visitors

Mardan Foundation is working hard to help the people displaced by the severe flood in Pakistan. Our volunteers go to different villages every day and provide all the possible support. We urgently NEED these items:

1. Water Purification Tablets
2. Pure Water
3. Cholera Medicines
4. Skin Diseases Medicines
5. Food Package

we will appreciate if you or your organization will support our work. We can distribute these items on your behalf. Please contact us urgently:
